“ My prayers go out to the Matias family. A candle in the world has gone out, and a candle up above has been lit. Know that the Oak Ridge family will always carry the memory of Daniel. Much Love, Mrs. Middleton

“ My heart is so heavy for the ORHS Family as we have suffered another loss. Daniel was an exceptional student with a beautiful smile! In my 4th period World History 2010, he seemed a bit quieter than the rest but his presence was always felt. He loved to run, he loved to laugh and he loved his friends!!! I would like to extend my deepest condolences and prayers to the Matias family during this time of bereavement. Daniel you will be missed... Love you always!!! Mrs. Austin

Gena Austin - May 09, 2013 at 10:06 AM

“ For all that were blessed in knowing Daniel, we will all suffer your loss. We shared the same birthday together last year and we had a great time in class eating cupcakes and being crazy. Daniel brought so much excitement to any environment. I will miss you and we have all suffered a great loss. Rest in Paradise Daniel and keep an eye over all of us.

Love <3

“ I could never forget all of the crazy things we got in to in school, my favorite had to be helping you make the letters to ask Ariana to prom. I remember you we're so excited. Is sad to know you aren't here with us but I know now you are better than ever. And you'll be watching over us every step of the way. Till we meet again Rest in Paradise

JaryAna - May 08, 2013 at 08:54 PM

“ To my dearest brother Chuqui...
We stood by your bed side all holding hands full of tears
We held your hands and stroked your hair
watching you just lay there
without a smile or a laugh in sight
who knew this was to be your last fight.
One by one we leaned over you tears streaming down our face
we kissed you and had to walked away hoping tomorrow I'd have
one more day
We all talked about your good times for us they will never fade
we wanted you to feel the love as we did love you more each day .
We watched your every breath and prayed it wasn't the last
the time we got to share together went by too quick ... far to fast
I did not want to believe it was close to the end
we held your hands and prayed again
now I understand you are now at rest
up high in the sky shining your best
we held your hands and squeezed you tight
it was time for us to say good bye.

I'll wear your memory proudly,
My little brother...my friend.
May my love for you reach Heaven above
Until we meet again.

Take care of mom!!! Give her a hug and kiss from me!! Love you
both more than you will ever know!
