“ My thoughts and prayers go out to the family. I met Daniel when I started hanging out with, what is now , my best friend / sister Beverly. Daniel was A wonderful man who was always attentive to me and making sure my favorite glazed pastry, along with milk, was stored in his home. He loved his family. He will certainly be missed and will leave many wonderful memories.

To my best friend Beverly. You are truly an amazing daughter. The love you demonstrated to your father all these years outways anything I have ever seen. To be able to handle a family, care for your mom and take care of your dad, at all levels, is a blessing. You're my inspiration. I know you made your dad proud and he knows you did everything you could possibly do. He is now at peace, no longer suffering and with our heavenly father.

I was happy to be there by your side during his last few days. I will never forget how I made him smile being my goofy self. I love this family and I raise them up to you dear Lord and ask that you embrace them during this difficult time .
