“ Dan and Lonnie were "best buds" during their time together in Maitland..."cutting up in the break room with the guys before the start of the work day. Stromboli Wednesday's. Having a cigar at lunch time on Fridays and Saturday morning motorcycle rides". We enjoyed many dinners with Dan and Gloria especially "Tickey Tockey Time" at the Willow Tree in Sanford Fl. They visited us here in the Smokey Mountains of North Carolina several times. We will never forget all the good times. Sending our love and our prayers to Gloria and David and the rest of the Richer family. Rest in Peace our dear friend. Love always, Lonnie and Irene Pizza

“ My family would like to send sincere condolences to the Richer family for the loss of your dear loved one. May you find comfort from the bible promise at Isaiah 25:8. Pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.
