“Corky and Walt have been neighbors to my Mom (and to me) for close to 20 years. More than that, good friends. I'm going to treasure my memories of Corky and I rocking on the front porch, swapping stories and remembrances, telling jokes, and sharing recipes (Cork, your Key Lime Pie will keep you often in my mind as it's a regular favorite), along with bits and pieces of neighborhood gossip. Corky loved her family and always thought of them first, and even after nearly 60 years of marriage, the love light still shined bright in Corky's eyes for her Walt, and that was a joy to see and an inspiration of enduring love and commitment. Oh, Cork, I'm going to miss you so...
