“ I grew up with Darrell and thru jr high and high school we were really close. If Darrell liked you he would give you the shirt off his back. His mother bought a riding lawn mower and when Darrell got tired of mowing he would call me over. It was new had wheels and he had me hook line and sinker. Didn't figure that out till many years later!! LOL

“ I met Darrel in 1999. We worked off and on periodically together until we finally got rolling and expanded to full time. Went thru lean times and good together. He is like a true brother to me. Love ya Darrel. Thank you for the years of friendship.
