“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ To know Darryl was a great adventure. It was a blessing to have him as my best friend and brother for so many years. His intelligence, wit and insights were always a great thing. Never a dull moment. He will be sorely missed but never really gone. His suffering from the illness caused by agent orange (denied by the jackasses at the VA) finally took his breath away. Even as he struggled mightily he never lost his lust for life and doing the right thing. You could trust Darryl and not have to worry about your back if he liked you. He was truly one of a kind and will be missed by everyone who knew him. I was a blessing to have been able to call him friend and beloved brother both in battle and peace.  
Farewell old pal we shall soon meet again
