“Sensei Darryl was not just a lifelong friend to my Father, but rather a Brother. Growing up I heard countless stories of their times together when they were younger, teaching and training Karate together, travelling to Virginia to train with Soke Shogo Kuniba, and opening their first karate school together in Trinidad & Tobago. Sensei Darryl was there throughout my father’s entire karate journey, always a friend and very supportive. His love for the martial arts was undeniable and anyone who knew him could see that. He also really loved his family. His son Kevin, is my god-brother and although we’ve never spent much time together growing up, my parents always spoke of him so that my brother Marc and I would know of our god-brother, their god-son. Virginia, Darryl’s beautiful wife is a friend of the family as well, and knows all of my aunts and some of my cousins. They are family. Hearing of Sensei Darryl’s passing was the first time I’ve personally ever heard my father cry, and that is truly reflective of his love for Darryl. Through this difficult time, I want to extend my sincerest and deepest condolences to Virginia, all of Darryl’s children and grandchildren, loved ones, family, friends, students and teachers. I pray that the Lord God will comfort you and give you the strength needed to moving forward, to keep his memory and legacy alive, and to believe that he is singing with the Angels now.
Rest In Peace Sensei...

Sensei Darryl was my instructor when I first started this karate journey. He is also one of 2 instructors responsible for bringing Shito Ryu karate to Trinidad. May he rest in peace.
