“ Darryll was a good man i always liked him as he was a happy and easy man to get along with. He wasn't afraid to tackle any job that challenged him. I helped him many times when he would have issues with his trucks and he would hang right there with me till we got it figured out. Didn't matter what it was or if he had done it before he'd jump right in he wasn't afraid to do new things. I respected him cause i knew he was a strong family man and faithful as a pit bull. I know i will always be expecting to see him rumbling up my driveway in his big 4x4 trucks. I know this is a difficult time for family and friends and i did consider him a friend and am proud to have known him.

“ Carolyn, There are no words from a parent, for a loss of a child. I wished we lived closer as you can bet I'd be down there. This is a terrible way for us to finally be in touch with one another but please know my heart cries for you and goes out to you. Please know We are thinking of you and we have you in our prayers. My Son Scott has a Harley and it is always in the back of my mind. Take care, the best you can, luvs ya, {{{hugs}}} YOUR CUZ from up north
