“ My husband and I are so sorry for your loss, both your family and the Corrections family have lost a wonderful man. He was fun to be around, and I enjoyed working with him. I always confused him with another CO who looked a lot like him, and he always smiled and set me straight with a laugh! This is how I will remember him.

“ *Janna , You, Daryl and the kids brought a lot of life to those summers at the pool in the old neighborhood. No matter where I am in this life, as soon as summer hits, I am always reminded of those summer weekends in the neighborhood pool where Daryl would grill up burgers with his special seasoning for everyone to enjoy! Daryl always had a beer in one hand and a spatula in the other...lol. Even though we no longer share a neighborhood...those memories and the times we shared will never be forgotten. “ *Janna, so sorry to hear about Daryl. I am glad your daughter is okay. My sister Denise told me about it today. I remember us all at the pool at Denise's house years ago. Our kids were real small and Daryl cooked my son and daughter a cheese dog for the first time. Since then every time I make a cheese dog I think of Daryl cooking it on the grill by the pool and all of us "Chilin" by the pool. My heart goes out to you during this time. Susan Freeman DoorenBos*
