“ Sun, fun, planes, boats, lobster and Jimmy Buffet. So many fun trips to the Bahamas; Dave was a great pilot and Lobsterman. I was sure we would be safe and never go hungry with Dave around. Great memories! Great couple and family! ❤️🍷

“ To all who new David his passing was a great lose. He was and will always be a kind and loving man. My wife Laurie and myself have known the Branson family for over 6 years. Your son Jamie married his daughter Amanda. He and his family always treated us like family. We came to look forward to our trips to FL. and most of all the nights at the camp site. Where we all shared stories and come to know each other as family and friends. Our continued prayers go out to the entire family and all his friends.

“ Terri we have know you since you were a little girl any sherry and I were young. We didn't get to know david that well but when we came to visit skip and Barbara we had the privilege of seeing him conduct the watchtower and we can truly saw he was on of the best we ever heard. The next voice he hears will be Jesus Christ saying “come out”. You can be sure of that. We love you
