

Mr. David Paul Cieplik

August 20, 1977 - January 30, 2014

David Cieplik, 36, passed away January 30, 2014 in Orlando, Florida. He was a loving son to his father Kenneth Cieplik, his deceased mother, Paula Cieplik, and his brother Kenny Cieplik. He is survived by his uncle Dan Cieplik (Betty), aunt Karen Callero (Larry), aunt Nancy Karas, cousins; Liz Toppin, Chrissy Souza, Daniel, Michael and Richard Cieplik, Joseph, Nick and Jeffrey Callero, and second cousins Cole and Cali.

David was an avid cyclist, had a contagious laugh, and was loved by many. He enjoyed and excelled in his career in surgical sales and really enjoyed living in Florida to pursue his interest in cycling, David loved to give back to the community by volunteering his time to help children and the less fortunate, often raising money for cancer research. He helped to make the world a better place, and will be dearly missed. There will be a private family service in Massachusetts at a later date. In lieu of flowers, the family graciously requests donations be made in David's name to St. Jude Children's Research Hospital in Memphis, TN

“ *Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.*

“ *I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the Bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away I invite you to visit the following site for more on this promise; www.jw.org*

“ I am sorry for the passing of your loved one; please accept my sincere sympathy. While you are grieving your loss, I hope you can find some comfort in Jesus’ promise of the resurrection(Acts 24:15) when those who have fallen asleep in death, will be raised up and restored back to life, with the hope of eternal life, on the renewed Paradise earth.-John 5:28,29; Luke 23:43. Until that blessed promise is fulfilled and you are reunited with your loved one again, may Jehovah God grant you peace and comfort now, during this time of sorrow.-Matthew 5:4.

“ I'd like to share my deepest sympathies and condolences with Ken, Kenny and the entire Cieplik family. I was extremely saddened to learn of Dave's passing last week.

He was a fun-loving guy with also a tremendously caring spirit and he definitely had an infectious personality and smile.

I remember meeting him for the first time when he moved to North Attleboro and joined my 9-year-old "Yankees" baseball team. After being introduced to the team, he sat down next to me on the bench and I'm pretty sure I was the first one he was friendly with.

Although we lost touch after high school, we were on all the same youth baseball and football teams as we were both considered young for our class, and had countless mutual friends through high school.

Those who knew Dave know that he was extremely into fitness from the time he was a kid and he was one of the Captains of our North Attleboro High School football team. His work ethic in the weightroom was unmistakable as was his competitive spirit.

To honor his memory, I will be dedicating my training for the Tough Mudder to him and will also be donating 50% of the proceeds from my Advanced Tough Mudder Training Group to St. Jude Children's Research Hospital in Memphis, TN in his name.

It's seems fitting for me to honor him in this way.

*Sincerely,
Sean Cryan*

“ To the Cieplik family,
I am terribly sorry to learn of Dave's tragic and premature passing. I knew him early in his career in Ophthalmology and became fast friends . It was inevitable to share a laugh and endless smiles with a man who lived life to its fullest. He spoke often and lovingly of his family and younger brother Kenny and wanted to make a mark of success to make his family proud.
I hope the power and strength to move on surface from the pain of your loss.
David is truly missed.

“ Dear Ken,

Bob and I are so sorry for your loss of David. I remember him so clearly with that grin he and Jon tried to explain away their latest "adventure". Jon was blessed to have him as such a great friend and we were "dazzled" by his joy. Our deepest sympathy.

“ I remember the first time I met David at the golf course at Foxboro Country Club. We were on the 1st tee and I leaned over to Bill Gaskin Sr. and asked, "is this guy is any good". Mr Gaskin said, "well he can hit it a mile but he doesn't always know where it's going but he is a great guy". Well the first shot was pretty bad but David just laughed and laughed because the second shot was worse. I got to know Dave as a regular player in our group. He really was a great guy!!!! His laugh and smile were infectious - I am not sure I ever saw him unhappy or not smiling or laughing and having a great time with us on the course. His game got much better and he was always the one 'that you wanted to play with during a big tournament, because he made a lot of birdies and threw in the occassional quadrupal bogey, which was fine". We all knew it and we all loved him for his highs and lows. I missed his laugh and smile when he left Foxboro and his exit from his short life is a tragedy to all who knew him and that smile and laugh is embedded in my mind. My deepest sympathies to all his family.

“ Dear Ken & Family,
I am so very sorry to hear about David. Several years ago, we worked together and became friends. It was through him that I met you and began my career in the athletic industry. I have very fond memories of sales meetings and golf outings with David--he was one of the funniest people I have ever met! I'll never forget my hole in 1 in Arizona-Dave tackled me after it rolled in and we celebrated for the next two days. I loved being around him and always looked forward to seeing him. My heart and prayers goe out to you and your family Ken.

“ Dear Ken, Kenny and Cieplik family,

Believing that there is a place we all meet in the afterlife, I know David is getting a huge hug from his mother.

David's smile, his father's booming laugh, the sense of caring he learned from his mother and father and his friendship and generosity will be greatly missed. How very fortunate and honored we all were to have known him, to have been friends with him and to have had him in our lives ..
