

David St. Claire Theodore Jarvis

January 26, 1983 - February 27, 2022

David St. Clair Theodore Jarvis was born on January 26, 1983, to Joyce S. Hartsfield & St. Clair Jarvis. His Sister Jamila was four years old the first time she was told her mom was having a baby. We asked her if she wanted a sister or a brother, and she said a brother and stated I want his name to be David. St. Clair said we'll have to honor her request. So we named him David. Little did we know he was being named after the Incredible hulk.

David became ill as an infant; we almost lost him, but he was strong and pulled through. David was always a fun and free-hearted kid. He always had a smile on his face and had the most infectious laugh. He was very energetic and took pride in aggravating you if you let him. David is a member of Koinonia Ministries of Central Florida; he was baptized at an early age by his Pastor, Bishop AL Helligar. David became an usher at around 14 years old. He loved to usher and serve others.

As an adult, he loved to dress. He loved his fashion and took pride in staying "fresh." His energetic personality led him into sales; he was the best at it. He won many awards during his time as an auto salesman. His mother was always proud of his accomplishments, big and small. He always made his own rules throughout life and stuck to them. His family loved him and understood that. He will be missed.

He leaves to mourn a loving Son David St. Clair Theodore Jarvis Jr., an adopted son LaDarius Tellis, a devoted mother, Joyce S. Hartsfield, a caring father, St. Clair Theodore Jarvis, a loving sister Jamila Joy Wright (Dustin), two loving brothers Omar and Randy; and many other family members and sorrowing friends.
