“ Oh David, from our AOL chat room days to the group text you Cynde and I had. I'm gonna miss all your jokes and you and Twin ganging up on me saying work was just an excuse to not respond to the silliness. (Wink) that's what we are gonna call it since we can't say it here. I'm gonna miss you David. You were such a great guy. My thought and prayers to your family.
