“ *I had the honor and privilege to interact and work with David during his fire service career while at Apopka FD and Orange County FD. I first knew him at Apopka as I worked for the Zellwood FD. While memories fade I recall I was in paramedic school with him at VCC when the class was held at their building in downtown Orlando on Church Street. It was near Rosie O'Grady's and we visited there after school on Wednesdays.*

David was a deep thinker, never taking things at face value. In conversations he would always analyze the information being discussed. He was a great firefighter and one of those paramedics that you wanted attending you personally if you needed medical attention.

May God Bless his soul and the hearts of his family during this difficult time.

“ *David was the 6th son of our parents, Carl, Sr and Myrtle Murphy, out of 7 boys! He was smart, handsome and eager to make his mark in this world. His service to the Fire Department was his passion. At family gatherings David was the one with the camera or video - capturing the memories. He loved his family and cherished his time with his brothers and two sisters. Our family had this thing of numbering the siblings since there were so many. David was born #6 out of 9 children. Josh, his son, was the light of his world and he was so proud of him. May you rest in peace, my brother, and know that you will be dearly missed.*

Dear brother David. There are so many special memories that I hold dearly. I remember when you taught me the alphabet and how to write my name. I laugh when I think of how I always wrote the upper case L backwards. You got frustrated. But then your brilliance showed through and you told me to draw a box and erase the top of the box and just the middle of the bottom of the box. Then you smiled and said look you did it L I . David I love you and I will miss you so much ,but when Mom says it's time to come home.....you go home.
