Tribute Wall

“ I remember when he and Wanda used to be my close neighbors. He was such a friendly and outgoing guy with whom my former friend and I used to hang around. It was few days ago when I learned about his death. My wholehearted condolences go out to his family and friends during this difficult time. It is such a pity that he lost his battle with cancer. David you were one of the coolest people I've ever met. RIP in Heaven old man.

Sincerely,

Bill from Orlando, FL

“ David was a very good person and someone that I always looked at as a brother. We spent 16 years working at the same company Great Western Meats and we both always felt that that was the best time we both had with any company that we worked for. We both spent our careers in the food service industry and worked hard to make things better for everyone around us. David had such a passion to get the job done right that this made my job easier knowing that I could depend on him to keep pushing forward with all the tasks that he would take on. We would come in on weekends and holidays to work on chores together and that helped me to get to know him not just as a fellow employee but as a person with a lot of drive and compassion in all he did. We were able to share story's about our lives and family's just like a pair of brothers. David rest in peace my friend and brother and we will meet again one day.
