“ David you will be missed.....we would like to say to your wife and family we are so sad to hear of your loss, David was such a kind and caring person. My Father and David were buddies even though my Dad is much older than David , David would Always take time To laugh listen and talk with my 88 year old Father, they exchanged fishing stories and laughed together every time they were around each other. I appreciated the time He had taken with my Dad. They truly enjoyed time together, it always made my heart Happy to See them both Laughing telling jokes And Enjoying Each others Company....we are very sad , our Thoughts And Prayers are with you David And your family ...
