

David To

March 2, 1985 - June 22, 2023

In Loving Memory of David To (1985-2023)

It is with deep sorrow and heavy hearts that we announce the untimely passing of David To, a cherished son, brother, uncle, and esteemed architect. David's radiant presence and creative spirit were tragically taken from us on June 22, 2023, at the tender age of 38. While our grief is immeasurable, we find solace in celebrating the remarkable life he led and the lasting impressions he left on all who had the privilege of knowing him.

David's creative genius shone brightly during his tenure as a Production Designer at Universal Studios, where he crafted breathtaking worlds that transported audiences into realms of wonder and awe. His meticulous attention to detail and visionary approach to design left an indelible mark on the industry he loved.

David was an avid traveler with an insatiable thirst for exploration. His wanderlust led him to discover the hidden treasures of various countries, but none captured his heart quite like Japan. He found solace amidst the tranquility of its ancient temples, the vibrancy of its bustling cities, and the harmony of its captivating landscapes. David's love for Japan was a testament to his deep appreciation for culture, beauty, and the artistry that permeates everyday life.

David To will be forever remembered for his remarkable talent, his infectious laughter, and his unwavering kindness. He leaves behind a profound legacy of creativity and inspiration, forever etched in the hearts of his grieving family and friends. Though his physical presence is no longer with us, his spirit will continue to guide and uplift us during the darkest of times.

David is survived by his devoted parents, Anh Huynh and Xay To, who nurtured his dreams and supported him unconditionally. He will be deeply missed by his beloved brother, Adam, and sister-in-law, Aleksandra To, with whom he shared countless cherished moments. David's adoring niece, Maya, and nephew, Oliver, will forever carry his memory in their hearts, inspired by the love and wisdom he bestowed upon them.

“ *It was a pleasure to work with David and an honor to see his talent come to life. We traveled to Japan together after the opening of Super Nintendo World and I think David bought every piece of merchandise available. We joked and laughed that he was going to need another suitcase to get home. I am going to miss David, his kindness, his humor, and his laughter greatly.*

“ *What a privilege it was to experience Japan for the first time with you, David. I loved your passion for the country, seeing the fruits of your labor on MK, and getting me out of my comfort zone.*

I will never forget running into each other unplanned in Kyoto and convincing you to make the hike to Kiyomizu-dera and making it to the top in time for the sunset.

I am so lucky I could spend time with you, it is simply not the same without your laugh and calming presence. It's so difficult to believe... but I hope you are resting peacefully now.

“ *David was one of the first team members I met when hired to Universal Creative. He was kind, thoughtful and was always trying to make sure we were taken care of when performing our tasks. He was the first team member from work to offer me a birthday gift. It was a GameStop gift card..we then had a brief war of gift exchanges afterward. David...you were a true gem. We lost something special. Love you man...*
