“ Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.

“ Debbie was a very kind friend and always there for me when I needed her. I send all of my love to her family and friends. She will be sorely missed. Always, Nancy King

I had no idea that this old friend of mine had passed. I'm am deeply sorry, Jeanie and your Mom and Debbie's nephew. Please let me know if there is anything I can do, although it has been months since she left this earth. I had been calling and sending her cards, etc. and have worried that she was ill and couldn't get well but never would hear back from her. She and I used to work together for my father, whom she adored and that's how we became friends. We had many laughs together and saw each other through a lot of difficult times. I will miss her!
