“ *So grateful to have her as my grandma. She's forever my best friend. The best and sweetest soul. She definitely left her mark on this world and touched everyone she met. All that we love deeply becomes part of us and she will always be part of me and our family.*

Wow, I can't believe you're gone. I haven't seen you in about 21 years but I have many fond memories as a child with you, John, Tammy and Misty. Say hi to Granny & Pap ❤️
