

## Debra Ann O'Connor West

September 25, 1954 - October 6, 2025

Debra was known to many as Mom, Grandma Debbie, and Aunt Debbie, we are all grateful for the many years had with her in this world. We were convinced she would be with us much longer. Debbie is preceded in death by her sisters, Theresa Wanes, and Karen Whitnell.

She is survived by her sisters; Kathy Matthews and Esther Conway, three sons; Timothy West, Kevin West and Christopher West as well as her spouse of 44 years; Bill Burns and many grandchildren, great grandchildren, nieces and nephews and countless other friends and family.

She always lived a life of faith, caring for others above herself, but we all know that she loved her four cats more than any of us. She loved God, her family, and of course the Detroit tigers.

Debbie was proudly born in Detroit, Michigan, but lived most of her life in Orlando, Florida.

She loved to take pictures – we are so thankful for all of the pictures and memories she left with. Debbie was an avid fan of her soap operas, and, old westerns such as Gunsmoke, she also loved sitcoms such as Leave it to Beaver. Cooking meals was a plus for all of her family, she loved shopping for home and family and decorating for holidays.

"SHE WAS OUR ROCK!"

Debbie used to be worried this day would come because she didn't want to miss out on any of the family gatherings. She always told us all she would haunt us if we had a holiday without her, but we all know she will always be a part of all of our holidays and our hearts.
