“ *Dee, We had a lot of good times. Working together, helping animals and simply bonding. You are a wonderful and beautiful soul. I have missed you lately and it breaks my heart that I won't get the chance to pop in and catch up. In any case, I am sure you are busy at the rainbow bridge getting your face licked off. It may have to wait for a while, but I look forward to the day that we reconnect on the other side. Until then, you will be sorely missed. I love you, Jen*
