“ THINKING OF U DADDY

When I was young and growing up. You and I would DISAGREE on things all the time..yes we went through things in life but DESPITE all your WRONG doing YOUR CHILDREN can HONESTLY say we TRULY LOVED YOU and you UNCONDITIONALLY LOVE us back.. But long gone are those days POPS u had some "STRONG KIDS' we are our DADDY'S KIDS we are DUPCLITE REPLICA OF YOU. Daddy I'mma MISS that we can call each other on the phone And say to you, "Dad do you remember when?" As I now have children of my own, I know now know how proud you must have been of us CONTINUING YOUR LEGACY I can say you showed my boy's things that was took away from our child hood. As the generations continue to come and go YOUR LOVE for ALL OF US IS INSTILLED WITHIN.

It was with MIXED EMOTION that I had to LET GO But I knew that you didn't want to stay; you kept telling me you was TIRED but my SELFISHNESS You were headed home to JESUS to live FOREVER

And that was then you drew your LAST BREATH you were on your way HOME ""just thinking""It's So many things we NEVER got to do So many conversations we NEVER got through I FEEL LOST and EMPTY now I've been asking, how? I could FEEL NOTHING when you died I felt I wanted to RUN and HIDE... Run and hide cause I FELT BLIND PEACE and and CLARITY I COULDN'T FIND They say when you die your soul just flies AWAY I wanted to CHASE your SOUL, DESPITE what u did You were MY DADDY, you TAUGHT me how to STAND on my OWN THROUGH the STRUGGLE

Now that you're GONE, I FEEL as though I CAN'T do it ALONE I've tried so hard to see things through and become the person you wanted me to be Sometimes it's just so HARD BEING A DUPLICATE REPLICA I'd give anything if I could just talk to you once more. To see you walk through the door and tell me that everything was going to be alright for sure.. When I look into the sky

*I picture you staring down Which is why I have NO REASON to
FROWN All the things you taught me, all the songs we use to sing
Now you're GLIDING under GOD'S PRECIOUS WINGS I knows
He's taking good care of you because now you're in His place
I hope all your WORRIES and all your FEARS have left your face
I NEVER GOT so SAY GOODBYE that was the WORST PART
But I know that when you left secretlYy you said GOODBYE to my
BROKEN HEART So when I lay myself into bed tonight I know you'll
always be there to hold me tight. LOVE U DADDY REST ON!!*
