“ Deloris, Stella and I, Gwendolyn Mike were very good friends for years. When our house had a fire in Eatonville, Lois let my husband/Roger Mike and our daughter stay with her until our house was ready. We loved her very very much. We will miss her terribly but God loved her more. To the family, I'm praying that God will put His Arms around all of you and give you comfort at this time. R.I.P. Deloris.

“ *The memories of childhood into adulthood comes flooding back whenever our families hear of homegoing for people we knew from Griffin Park. While we lived in different buildings and apartments, there was always a connectivity to each other, a communal feeling.*

The remaining members of the immediate Green family, Ernest ("Papa Green"), Shirley, Gloria and Linda pray for God's love to cover the Burke family in the transition of their sister, Deloris.

Scripture tells us, that for the believer, this world is not our home we are just passing through, to forever live in the place God has prepared for us.

“ One of my favorite cousins whom I loved to come visit. Her voice was energizing as much as her love for the Lord, family and friends was evident!

“ *Lawonza, Marquita, Kenneth and family, my Prayers are with you. I got a chance to visit 'LoLo', as we called her during our childhood days, several months ago. She would always give me that beautiful smile. I cherish the time our families and other families spent together in Griffin Park, where everyone looked out for each other.*

God bless.
