“ *My only niece and my Dad's first granddaughter...not as close as an uncle and niece should be but you were truly loved. May you rest in external peace free from the troubles and worries of this world. Love Uncle Ralph*

“ *My little sister, you have always kept me going. You have told me many times I can do anything in this world. You have touch so many people in the world just because who you are. Haven has a new angel that will bring even more happiness there. You and mom take turns in the kitchen, and give grandpa a hug.*

*I LOVE YOU DENISE*
