“ To Melissa and Sanchez family Denise will be greatly missed. As I'm writing this is hard to believe she's not here with us anymore. I met Denise back in 1989 always good times lots of laughs she was always positive good friend special person good listener never judging anyone. She always brings comfort in any situation always forgiving and a big heart. I'm grateful that God put her in my life in the time she was here on earth. Because God used her in many ways in different situations to bring people together or bad situations to good situations. This is why I will always be grateful to know Denise she was humble and true to the end God rest her soul and be with the Sanchez family God bless.
