

## Denise Trinidad-Pacheco

July 4, 1969 - December 9, 2015

Denise Trinidad died December 9, 2015 at 2:40 AM at Orlando Regional Medical Center. She was comforted by friends and family. Her cause of death was long time illness. She was 46 years young. Denise was born on July 4, 1969 in Bellevue Hospital in Bronx, New York. She was the 3rd child and second daughter to Pablo and Nieves Trinidad. Denise was a free spirit and loved life. Before she gave birth to her beautiful daughter, Maryselys she lived in New York, Hawaii and a short time in Rochester.

She enjoyed going to the movies, malls, helping the homeless and less fortunate. Always accompanied by Maryselys they would often make sandwiches, pack some water, and toiletries and take the bus to Lake Eola and give the care packages to the less fortunate there. Her focus in life was Maryselys. She instilled in her to love God and always thank him, humility, respect for herself and others, to be kind, loving, never give up, and to always know she loved her no matter what. She was extremely fond and proud of her various pets. They varied from hamsters, cats, dogs, rabbits, hens, roosters, and a guinea pig.

She had a big heart. She spoke what was on her mind and was always available to give advice.

She was a great sister, mother, daughter, and friend.

Denise Trinidad was survived by her sister, Nilda Trinidad, her daughter, Maryselys N. Neris, her nieces, Denise A. Rivera and Nilda A. Rivera, her nephew, Angel L. Rivera, various cousins and aunts, as well as her long time love, Juan Neris. She was preceded in death by her parents, Pablo and Nieves Trinidad, and her brother, Pablo Trinidad Jr.

Special thanks to all medical personnel and transportation. Extra special thanks to all her friends and neighbors.

*A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. I will never ever forget how she touch my heart this past summer by telling me that she loves me (my heart melted when I walked out the her hospital room). May the love of family and friends comfort Maryselys and you during these difficult day, my most heartfelt condolences.*
