

Diane Virginia Stewart

December 4, 1947 - November 24, 2022

Diane Virginia Stewart, age 74 of Jacksonville, Florida passed away November 24th. 2022.

She's a Mother, a Grandma and a Great Friend to many.

She's spent her entire life caring for others, never really caring for herself.

She spent her younger years as a Beautician, a trade she loved.

She later took on several jobs to support her Son & Daughter.

No matter how bad things were, she would always find something fun to keep her children positive.

Later in life, she dedicated her life to taking care of Elderly people with whom she loved like family.

In all her years, she never really thought about herself, just others.

She was the strongest woman I have ever known, in more ways than anyone could imagine.

I held her hand the day she left this earth and promised her that I would raise my son with the same love and joy that she raised me and my sister with.

Diane was my mother, my friend and my rock.

Love you mom.

“ Today my family came to celebrate my mother. It was such a beautiful day. I want all of my family to know how much I appreciate and love all of them. It turned out to be a perfect afternoon.

And I especially want to thank my wife Cathy & son Ryan. Without the two of you I would not have made it thru this.

Thank you.

“ I'm my haste to write something kind for my mom I forgot to mention her wonderful family. Her brothers, sisters and nieces. She loved them all as she loved her children.

Thank you so very much to my family for being there when I needed you most.

I will never forget you.
