“ *Dee,*

Though I am younger than you, I always looked up to you like an older brother, just as I saw Danielle as my older sister. Your presence brought a special kind of warmth and joy that made every visit to Nevis feel exciting and unforgettable. Those moments we shared, filled with laughter and love, are memories I will forever hold close to my heart.

You were more than a cousin to me you were family in the deepest sense, someone I admired, respected, and cherished. Your kindness, your spirit, and the happiness you brought whenever you visited will never be forgotten.

I will truly miss you, my dear cousin, but your memory will live on in my heart always. Rest peacefully, Dee.

*Your Cousin,
Shenise Richardson*

“ Our nephew Dee was a man of many talents and qualities that often stayed hidden from many people, he was very talented artist and his drawing skills were fantastic..

Heather and I made several trips to the USA to visit Myrlene and her family with our boys , Emmanuel and Joshua and we always looked forward to seeing Dee , we particularly remember seeing him on top of the world back in 2007 just after his son was born and we have never seen a prouder Father showing off his beautiful boy to us all ..

I was very fortunate to spend a lot of quality time , one to one with Dee on a solo trip I made back in 2019 , when he took me under his wing and looked after me all week ..

We spent a lot of time talking and I just loved listening to Dee as he had so much to say and it was a privilege hanging out with him and his son Dee Jnr , who by then was a teenager!!

Dee's passing is so heartbreaking for us all and it's so difficult to think he's gone , as he was an absolute amazing nephew and someone who'll always be in our hearts and prayers.. Maik , Heather , Emmanuel and Josh ..

Rest easy Dee 💕💕
