“ I have known Domingo for a very long time. He was like a son to me. I have fond memories of him. He was a very loving, humble, respectable young man. Domingo always had a smile on his face. He will truly be MISSED! I learned that the footprints and the hearts we touch are what really matters. May you rest in Peace Domingo and hope that when my turn comes you can meet me at the gate to escort me.
Love Always Carmen

Thanks carmen.. And thanks to our friends from Harvey.. Its means a lot to have all of your support at this moments... I know my brother was love by all of you and i know that you guys will always have a place in your hearts for him... Its hard to believe that we will not longer receive a call, a text, a happy birthday note for him.. But above all we have to give thank to God that he allow us to have with us an honest friend and brother..... Thank youatt niurka villanueva
