“Dominick, God bless his soul. I knew him about 16 years. There are a lot of good memories. I share a little part of it with you all you. Every time Iris and Dominick came to my salon we had a lot of laugh. He always smiled and very pleasant person to be around. Some times he was singing to some songs that was playing on the radio and some times made us smile and laugh because the way music was playing and other times laughing for no reason. :) His laughters was contagious and made us laugh even more. "Just fun" :)  
Few of you already know this story; yes that was the day I learned he likes Starbucks Coffee. :) Sharon (his niece) handed him her coffee to hold for few second to take care of something and before you know it Dominick finished it for her and handed her back the empty cup. He claimed he thought it was for him. :)  
So innocent, but so funny the way the whole thing went on. Dominick I know you are in the better place and watching us from above. You probably listening to the very nice music while drinking your Starbucks coffee and looking after those delicious cookies. :)  
You are missed by so many people. R.I.P.
