“ *Pop,
We all miss you terribly. Your quiet gentleness and deep love of Grammy and the family are models of how we all should be. I will miss so many things about our time together and can't wait to tell you when we meet again one day. Please watch over us and guide us to be the best we can to each other and those we love. Save a ride for me on the scooter in Heaven!*

Hugs and kisses until we meet again.

I Love You!

“ The Lord took my precious Pop home on 08/31/15. He was surrounded by the love of his family as he was taken gently from us, My Dad was the most kind and gentle person I have ever known and I was so lucky to have him for the time that I did. He had much love and respect from all who knew him.

"May you forever rest in peace Pop as Heaven greets their newest "Angel"

Never forget how much you were loved.

“ My little Pop, so compassionate so sweet. I will miss you and your smile, your caring smile. You have been a strong man for so long, doing your own thing at your own time and still caring for your wonderful family. I know you are in a better place, able to talk and say what ever is on your mind. See you later an remember, YOU ARE LOVED.

“ I am truly blessed to call Pop's daughter, Linda Hart, my very special friend. I will always cherish the stories she told about her dear dad. Never have I seen such a love of family as I witnessed through Linda. What a wonderful man and father he was. Nothing will ever take his place and he will be missed everyday until you meet again. Love, hugs and prayers to my wonderful friend and her family. I am so deeply heartbroken for you.

“ Truly a gift from God, my dad was such a gentle and kind man. 'POP', as most of us knew him, was loved by all. His infectious smile, wit, and charm will live forever in our hearts. After 95 years on this Earth, his departure leaves a noticeable void. Our loss becomes God's gain, as Heaven has gained an angel.
