“ Doreen, you are a wonderful, fun person, and those couple of years we both were out of work and going to the pool, and Teddybear and I would bring dinner each night were so much fun. I'm so sorry we lost daily contact, but so happy these past few months we were friends again. Raphael and I will love you and miss you, even though we know you love Teddybear way more! I'm so sorry to your family, you will be so missed, especially your nephew, that you talked about, like your own.

*We will always love you and miss you.*
