

Ms. Doria Marina Whyte

September 11, 1936 - December 8, 2014

Doria Whyte daughter of Janet and James Whyte. Born in Wakenam Guyana.

Left

Guyana in 1973 with Theresa and Michael as young children to start a new and

better life. She resided in the Bronx and then moved to New Jersey. She moved to

Florida after she retired. Doria worked as a nursing assistant at the Jewish Home and Hospital until she retired.

She lived a happy and healthy life. She was the glue that helped to keep the family together. She always looked out for her family. The most important thing to her was keeping the family together. She was always there to give a helping

hand and strong words of advice. Her passion was her grand children. She wanted

the best for them and a brighter future for them to shine. She wanted them to have a good life and to do the right things in life.

She will be missed by all her family and friends.

“ *Michael and Theresa,
In sorrowful memory, Doria was a lady, gracious and intelligent. She brighten the lives of many and would be missed by many. She spoke of her family lovingly and frequently. The last words of my friend to me were, "Pat, do not send me any presents this Christmas" I wonder why. Our loss is tremendous. My prayers are with you.*
