“ When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ *This is a poem I wrote my grandmother for her photo album given it to her for her birthday...*

Grandmother

*A mother, grandmother, and great grandmother
all rolled up into one amazing person...*

*I often catch myself wondering if I will be as strong
As my very own mother and grandmother...*

*You have instilled so many great values and qualities in your own
children,
I guess I am the lucky one because these qualities and values have
also been instilled in me...*

*The truth is there are not enough words in the world to express how
much you
Really do mean to me...your such a strong and amazing person,
I wish the whole world could see...*

*You've been through so much, and have come out of it stronger
than ever before...
And it's these qualities you have grandmother, that makes me live
you now and forever more....*

“ *So beautiful and precious you are...you may not be with us, but you did not go far...we have you locked in our hearts,and we will never let you go...and until we meet again this you must know...*

We are so blessed to have had the opportunity to have created so many amazing memories with you that we hold so close to our hearts...from the ones recently created, to the ones from the very start...

From easter egg hunts, sparklers on the 4th...and can't forget Christmas dinners too...we wouldn't have all these beautiful memories to cherish if they weren't spent with you...

But now its time to say our goodbyes, which is very hard to do....but now that you are at peace, we can be at peace too...

So until we meet again, this is what I say to you...you will be forever in our hearts....and we will always love you...

“ I would like to express my sincere condolences for the passing of your love one. I hope you will find comfort in Jesus' words: "The hour is coming when all those who are in the memorial tombs will hear his voice and come out". (John 5:28,29) Just imagine the joy of being reunited with your loved one.

“ If i could pick just one wonderful memory of my grandma it would be Her Packs of double mint gum lol...When i was little she ALWAYS had packs of double mint gum in her purse lol...So through out my life any time I saw a pack of double mint gum it would remind me of her...so now Whenever i see that same pack of gum it will warm my heart...sometimes it's the little things that have such a big impact on you...

“ Those we Love remain with us, for Love itself lives on. Cherished memories never fade, because a loved one is gone. Those we Love can never be, more than a thought apart. For as long as there is a memory, they'll live on in our heart. ~Author Unknown

Heaven has gained such a beautiful person, you will truly be missed by all. We love you so much and always will.
