

Doris Marie Clark

January 4, 1945 - December 19, 2021

Doris Marie Clark, Age 76 of Orlando, Fl. Passed away on December 19th. 2021.

Doris, Dottie or Dot to friends and family, was born on January 4th. 1945, she was born and raised in Jamaica Plain, Ma. She attended Our Lady of Lourdes School and Saint Thomas Aquinas High School where she graduated in 1962.

She married Dennis N. Clark at Our Lady of Lourdes Church in 1963.

In 1964 Doris was blessed with her first son Dennis Jr.

In 1966 they all moved to Maine. And then in 1968, she was blessed with her second son Robert.

In 1973 they all moved to Florida, when they came to Florida, Dottie got a job at Toy King (which her children loved).. When Toy King closed she got a job working at Eckerd Drugs where she worked for many years and made many friends. After she retired, she got bored sitting at home, so her son Dennis talked her into going to work with him at Red Lobster part- time rolling silverware she worked there and was happy just to get out of the house a few hours a week. She worked there about 10 years, until family health issues no longer allowed.

Dottie had a heart like no other, she cared for everyone and ALWAYS worried more about everyone else above herself.

She loved to shop (usually for others) and would often call us to come and pick her up because she had too many bags to get on the city bus (She would never let us pick her up from work as she wanted to go shopping).

She also loved when we would all pack up and go out to the gambling boat for the day.

She will be forever missed by her one remaining son Robert and his wife Colleen.

The remainder of our small family, and her many friends.

The family graciously asks that in lieu of flowers donations be sent to Saint Judes or Pet Alliance of Central Florida 407-351-7722.
