Aunt Dor

I never met you Aunt Dor but I feel that I know you through your niece, Marcea who always talked about you and affectionately calls you Aunty. What a joy it would have been to have meet you. From what I learned from Marcea you are with GOD. I hope to see you when I am in heaven. Rest in peace.

“ *Aunt Dor,*
I have had many memories of you over the years. My last was on a beautiful, sunny day on which you were enjoying life, playing dominoes and sharing the pleasure of being with your family and friends.

My lady, the best legacy you left is inspiring a revolution in your neices life. Well done my love, well done.

“ Aunt Dor, there is much peace and joy in my
heart that God allowed me the privilege of
leading you to Christ. Knowing that you are with
the Lord, and in no more pain is comforting. Till
we meet again, you reign supreme as the
domino queen.
