“ So sorry for your loss. Just as Jesus resurrected Lazarus he can resurrected your loved one so you can be reunited. (John 11:43,44)

“ I would say my dad is probably the best dad there is because he's the first one I saw when I came into this world. I knew he would be the man I'd love in the rest of my life unconditionally. Honestly, it was possible to put this into words how great he is and how much he means to me. He is very athlete and an artist. He draws very nice. He sings very well and he plays guitar so awesome. My wonderful dad passed away two days ago. I lost him, i lost him forever. It is hurt so bad. I miss you, daddy
