“*Naydeane and family we send our empathy to you during this loss of our family member. As the number get higher on gone but not forgotten the lower number get weaker or feel the need to stay in contact with one another. actually this is the time to get stronger because our number is lower .Love is powerful and it's free. I dearly love all my family, the known as well as the unknown .Love is strength so Know I stand beside you during Eddie's home going. My heart is heavy but it is strong. So be strong and let love guide you. LOVE LOVE -----Cousin-Rosettia*
