“ Ms. Edna I had only met a couple of times but have heard so much about. What a wonderful woman. She is remembered by all. She loves each and everyone of you and is with you all the time. Even though you may not be able to see her, she is with you. She is looking upon you from heaven free of pain in a perfect angelic body and mind. Her kindheartedness is shown through her family. Her daughter Wanda I have worked with for the past 3 years and the love for her mother showed through her. She is more than just a co worker but a close friend and like family. I wish I could be there with you to give you a hug and shoulder. Truly, Jackie

“ Hello Family and Friends, I have taken the opportunity to start a family tree, due to lack of much knowledge of the family information I was only able to input very little, so if there is anything that you can add please feel free to do so. So the generations to come can trace back to our loved ones!!! Thanks

Avalon Lee - November 13, 2013 at 06:22 PM

“ I can remember I went to spend holidays at her house and the day my mum came to pick me up she cooked roti bak and pumpkin and I could not stand pumpkin. Under the table was a hole and I was putting it in the hole feeding it to the dogs piece by piece, being careful not to get caught. Then I went down to put a piece in the hole and when I got up she was standing right there and I got a good spaking!!! I didn't know why at the time but now I do and I will always remember that. Another memory is she had a pair of yellow heels that I used to love to wear all the time. I was always in her things. And she was so petite that all her things fit me at age 7 I used to have a ball with her things!!! I love you granny and even though you are always in my heart I miss you sooo much!!!

To the family, Always remember, Jesus said that "all those in the memorial tombs will hear his voice and come out. The bible's resurrection accounts give us a sure hope for the future. In paradise, those lost for now will be reunited with their loved ones. What a beautiful promise from God.
