“ Yesterday made 5 yrs! I remember exactly where I was and how I felt! Words can't express how much we love and miss you. Darius has been wearing your memorial shirt for the past few weeks. I know he thinks of you often. He tends to get quiet around this time of year and you can see sadness in his eyes. We all love and miss you. You will always be a part of us. Your memory lives on!

“ I remember your jokes
I remember your smiles
You brought us laughter
That last for miles
Just like a son cousin and friend
You are a brother to Darius til the end
In the still of nights you cross our minds
Memories of good and even bad times
But with the love of God on our side
We'll make it through this tough time
As it gets closer to the day we all cried

“ Edward was one of the only childhood friends I actually had and tried to keep in touch with... Even after leaving Orlando Science School his joy and his humbled character always stayed with me. His legacy of always keeping people laughing and happy will always be a part of me. I can't believe the guy who used to make my days, who I used to look forward to seeing at school is gone now. May he rest in paradise, where there is no worries.

What is it about you? Is it your great attitude.
Your fun way of looking at things? Or the cool things you do to keep it real in life?
Yeah, It's all those things, Nephew. And more. That's what it is about you we will miss.

“ *To everything there is a season, A time for every purpose under heaven: A time to be born, And a time to die; A time to plant, And a time to pluck what is planted; A time to kill, And a time to heal; A time to break down, And a time to build up; A time to weep, And a time to laugh; A time to mourn, And a time to dance; A time to cast away stones, And a time to gather stones; A time to embrace, And a time to refrain from embracing; A time to gain, And a time to lose; A time to keep, And a time to throw away; A time to tear, And a time to sew; A time to keep silence, And a time to speak; A time to love, And a time to hate; A time of war, And a time of peace.
