Daddy, I'm so heartbroken. Words can't explain the emptiness I feel inside. I don't know how I could go on without you. I know how much you love me and God only knows how much I love you too. I am so grateful...even in the last few days of completely unexpected and unbearable times you were strong like you always were. As difficult as it is for me not to be with you, I am giving you the greatest gift of life I have ever known – the gift of letting go. Please understand, I can't promise that I won't cry, for I will truly miss you every day for the rest of my life. I will miss each "good morning" and "good night" and the "I love you's" said to each other. I will keep all your memories safely locked in my heart. Go now in peace my Love, until we meet again.
