“ *Big E. I'm so sorry Brother. I'll never forget our times on duty together in California and the friendship it created. So glad to see you had gotten things together in Florida and were raising your Son and Pepper. You touched a lot of peoples lives Bro. I hope you knew that. The days you spent with your Boy is time that can never be erased. I know you'll always be by him anyway. My heart is broken for him. I hope one day I'll have a chance to tell him what a Great Man his Father was. You're gonna be missed Fool, I still can't believe it. Love you Puto, I prayed for your soul many, many, times and won't stop praying for your family.* ❤️🙏💪😭
