“ I remember as a child visiting Doña Elida’s home, she always had a smile on her face. She was kind, welcoming and generous! She enjoyed having all of our family over for cook outs, birthday and more. I remember sometimes her home was filled with all of my cousins as we all just played and ran around, she always made sure we were ok ❤️. Doña Elida may you rest in peace, you will always be remembered. To my God father Tio Horacio, my cousins Chanty and Jasmin and the whole family I love you all, God bless❤️
