“ I miss you so much GMA. It hurts so BAD! I would have thought as time progressed, this pain would have gotten easier, but it hasn't. I miss you every second of the day. I wish you were still here with us GMA. You were the glue that held us together. I know this family of ours was dysfunctional, but you tried so hard to keep it together. It's not the same without you. I missssss you so much GMA. I think I'm rambling on, but you know my heart. I just miss you beyond words grandma. I miss every inch of you. I hate you left the way you did. But God saw fit to take you home. I am jealous, because he has you and we don't! I'm going to stop it here, bc I am an emotional mess, trying to hold back the tears at work. LOVE YOU!

“ *,,,you never said you were leaving,  
You never said goodbye  
you were gone before we knew it,  
and only God knows why.*

*Many times we laugh,  
and many times we cried,  
if love alone could have saved you  
you never would have died.*

*The battle you fought  
the victory you won,  
Im sure you heard him calling  
and you knew your work was done.*

*God closed your eyes  
an in peace you rest,  
God knows we love you  
but God loves you best.*

*,,,your loving daughter*

“ *Grandma,*

*This is EXTREMELY hard for me. I cannot seem to accept the fact that you're gone. You were everything to me and more. I will miss your smile, laughter, stories and you in general. I hate I didn't get to see you recently. I miss you so much. My heart is aching badly. I am trying to stay strong, but it's so hard. I am still in disbelief of all of this. God wanted you home and I wasn't ready to let go of you. I love you Gma soooo much. Words cannot express my love for you. I will miss your tight hugs, you telling me to be good. You asking about my babies. I wish I had more time with you, you will forever be in my heart. I knew from an early age when I became a mother and had a daughter she would carry your first name as her middle. I accomplished that thanks to God. If I am blessed to have another daughter, she will also have a part of your name. I am so honored and blessed to carry your middle name as mine. Forever will we be one. I love you more than life itself. I will try my best to be strong. It will take time, but I will try. I love you Gma!*

“ To the Family of my friend Mrs Louise, I believe she would say these words to you. Don't grieve for me, for now I'm free, I am following the path God laid for me. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day. To laugh, to love, to work or play. Tasks left undone must stay that way. I found that peace at the close of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah, these things I too will miss. Be not burdened with time of sorrow, I wish for you the sunshine of tomorrow . My life's been full I savored much, Good friends, good times,a loved one's touched. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now. He has set me free. If I have helped to lighten your burden, my aim has been accomplished. Reverend Gloria Jean Houser. MDiv. Pastor of Mt. Olive AME , Coleman, Fla.
