“ *Bendición mami, I want you to know that I miss you. Coming into the house and not seen you seating at your sofa, watching TV and drinking your Coke, is difficult. I want you to know that I will always love you and my heart is forever grateful for EVERYTHING, specially for being there and helping me with my kids. For going far and beyond for Christian since he was born. I know, "mis hijos son prestados porque son de papi y Yaya" I will remind Christian to make sure he does not missed the 3 for \$12 Coke sales. Please rest next to dad until we meet again.*
Love you always mom,
Gynoriz
