“ Woody, I will forever remember you as young at heart. You joked about your memory, but always remembered anniversaries and made those around you smile. You'll be missed down here, but I know you are at peace.

“ *Woody became a good friend to see once every few weeks or so. I have been his haircutter the past 3 years. He was always prompt, arrived with a smile on his face and a story to tell and some place to go when I was finished. And also dressed very dapper and topped with a hat. In the short time I knew him I learned about his dear family, his career, and his interest in the history of Florida and the Keys. Woody never had anything bad to say about anyone and always listened to you when you spoke. You will be missed Mr. Woody, thank you for the time you shared with me.*

*Sincerely,
Alison Atkins*
