*I took this picture of my mom the day before she passed away on 2/10/15. It was evident that she was not long for this world, but as you can see, she still had those bright eyes and did great for a gal of 92! Just after I took this pic, she flashed a big smile. Unfortunately, I didn't capture it, but in my heart, I remember her beautiful smile!*

*She still looks like she could kick your butt in this picture. That's how I think of your Mom: feisty, independent, smiling wide, a funny ditzzy Gemini but with fierce love for you and Noelle. She made beautiful clothes and the few dishes I had that she made were delicious. She never gave up and she had a determined will to live and be vital. She will be sorely missed.*
