“ *My condolences to the family. " Time is a Gift from God ". She shared some of hers with you. I only knew her after she had her strokes. She had some fire in her, but then she was tender hearted at times.*

“ I am honored and blessed to have known your mother. She was truly a blessing in my life and I will miss her. Our deepest, heartfelt condolences to the Family of Erlene Longest. If you need anything, please do not hesitate to contact us. The following poem are words your mother would say to each of you.

*Speak of me as you have always done.  
Remember the good times, laughter, and fun.*

*Share the happy memories we've made.  
Do not let them wither or fade.*

*I'll be with you in the summer's sun  
And when the winter's chill has come.*

*I'll be the voice that whispers in the breeze.  
I'm peaceful now, put your mind at ease.*

*I've rested my eyes and gone to sleep,  
But memories we've shared are yours to keep.*

*Sometimes our final days may be a test,  
But remember me when I was at my best.*

*Although things may not be the same,  
Don't be afraid to use my name.*

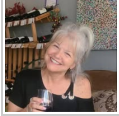

*Let your sorrow last for just a while.  
Comfort each other and try to smile.*

*I've lived a life filled with joy and fun.  
Live on now and make me proud.*
