“ *I've known Mrs Erma Douse since I was a child growing up in Jamaica. She's affectionately known as miss Ionie to me, she took me for her second daughter, as my mom had only one girl and she the same. Nothing was too good in her shop to give to me, she always telling you can sit on my bed. I love her she loved me, she's always smiling and laughing whenever we saw each other. She will be dearly missed, may light perpetually shine upon her and the angels in heaven receive her with open arms. RIEP*
