Mom believed in ministry and reaching people for Christ. A saying I heard many times as a young child: "Soon one life twill be past, only what's done for CHRIST will last". Mom never cared much for plants or flowers. So if you'd like to remember Mom with a donation to what she poured her life into you can send that donation to the above mentioned address as well. She believed in the ministry of The Pickering Trio in 1948 later to be known as The Pickerings 2019. She felt called to the ministry at a young age, and that my father who

started singing with his mom and dad in 1944. She had been involved in the family ministry for over 65 years.

Check back for more details next week. Thank you and God Bless
